

MiHomeTM
your switch is mi command

MiHome Light

The MiHome Light switches are control only products. Each switch is individually controllable and you are able to use all the control features in the MiHome App including simple on/off, timers and geofencing on each socket individually. The adapters are also controllable via the MiHome remote control.

The lighting range contains four different types of switch and each switch is available in white or in our skeleton plus clip finish.

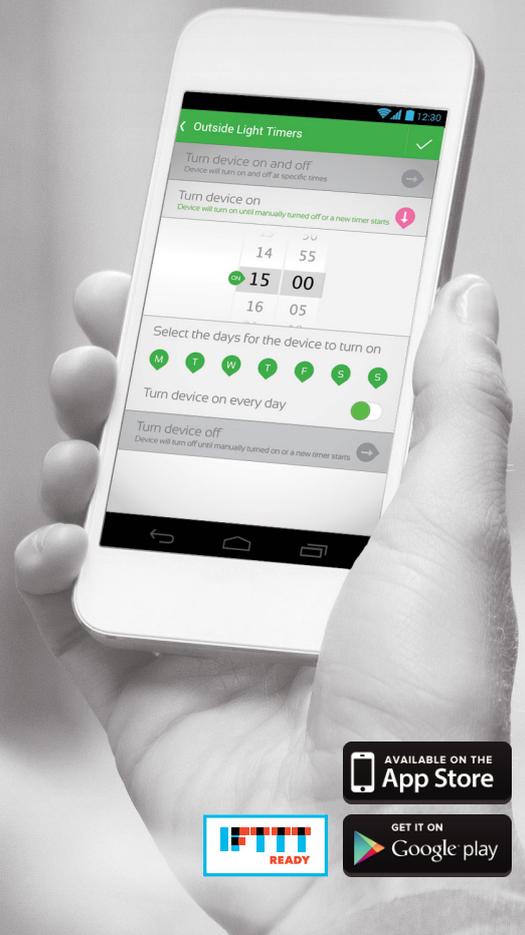

The four products are:

1. Single Light Switch - MIHO008
2. Double Light Switch - MIHO009
3. Dimmer Switch - MIHO010
4. Two-way Light Switch for use with stairs

The three clip finishes are:

1. Polished Chrome
2. Brushed Steel
3. Black Nickel
