HDTV VIEWING

Be protected & see every detail in HD

- Swann's latest network video recording security system with 1080p high definition live viewing & playback in real-time (30fps/25fps per channel)
- State-of-the-art digital imaging technology for 5x the picture sharpness of traditional security systems including analog D1
- Includes 2 x HD cameras capable of generating crystal clear 1080p (2.1 Megapixel) video with IR cut filters for powerful night vision to 100ft / 30m & a weather-resistant rating of IP66 for indoor & outdoor use
- Expand by adding up to any 2 x Swann NHD-810 series cameras for full 4 channel monitoring
- Set & forget by recording continuously from 4 channels for 48 days+ onto a 1TB hard drive or even longer with motion detection
- Save time & have peace of mind by easily locating incident video, then transfer to external storage via USB or network
- Connect in minutes using SwannLink 'Peer to Peer' easy network connection software
- Security in the palm of your hand with live viewing on your Smartphone or tablet including iOS (iPhone, iPad) & Android devices using the free 'SwannView Link' app, with email notifications if there is activity
