

# ERP Boiler Package Labels

---

- ✓ Screwfix have prepared all eight versions of the possible packages of this boiler and thermostat controls.
  - ✓ Please check the ERP control class of your Thermostat (available on [Screwfix.com](https://www.screwfix.com))
  - ✓ Then print off the individual page you require for your package from one of the following eight pages.
  - ✓ Unfortunately if you are adding other products to the package which are not sold by Screwfix we are unable to supply the package ERP label.

WORCESTER BOSCH GREENST  
AR 29CDI CLASSIC COMBI

Control Class I

Energy label for heating system showing a boiler icon, a radiator icon, and a tap icon with 'XL'. Both the boiler and radiator icons are accompanied by a black arrow pointing left with the letter 'A' inside, indicating an energy efficiency class of A.

Energy label for hot water system showing four features: solar panels, a hot water tank, a control panel with a hand icon, and a boiler icon. Each feature is preceded by a blue plus sign and followed by a blue square checkbox. The control panel feature has a blue square with a white 'X' inside, indicating it is not applicable.

Control Class VI

Two black arrow-shaped boxes containing the letter 'A' are positioned next to the radiator and tap icons.

Four feature icons are listed vertically, each with a blue plus sign to its left and a blue square box to its right:

- Solar panel icon
- Water tank icon
- Control panel icon with a hand pointing to a button
- Boiler icon

The square box next to the control panel icon contains a black 'X'.
