

38WPL FLOOR LIGHT 230V VERSIONS

The Defender PL FLOOR LIGHT is a low energy, high output Task Light for site, industrial and domestic/DIY tasks.

Delivering a powerful, glare-free bright light the unit runs cool to eliminate fire and burn risks.

Compact and robust with an impact-resistant watertight casing, the PL Floor Light delivers maximum light output for minimum cost. Why use a 500-Watt Halogen when 38-Watt PL Fluorescent will do the same job?

SPECIFICATIONS & TECHNICAL DATA

VOLTAGE	230V~
CURRENT	<1A
FREQUENCY	50Hz
IP RATING	NOT IP Rated
CABLE	2m 1.0MM BLACK HO5-VVF
PLUG	240V 13A-BS EN 1363
FLUORESCENT TUBE	2D 38W
WEIGHT	2.4Kg
DIMENSIONS	365 X 315 X 145mm (HxWxD)
