Lisse Screwless Deco

3 pole fan isolators

GGBL1013BSS

Description

A high quality range of accessories, including 3 pole fan isolators designed for both residential and commercial installations. This family of products benefits from all of the design features of the Lisse Screwless Deco range such as time and space saving solutions, as well as a comprehensive array of installation-friendly aspects.

Fully manufactured in accordance with latest British & International Standards and third party certified.

Features & benefits

- Large plate footprint provides extra strength and reduces the need for additional decorating.
- Unique integral lock off facility, supplied with common key.
- 7mm raised edge offers easy installation for new buildings and retrofits.
- Minimum back projection frees up space in the back box for cabling.
- In-line, angled terminals for easier cabling access.
- Cable markings on all products with a moulded template to check the stripped wire length.
- Secured fixing screws to limit the risk of loss.
- Light grey back moulding colour for easier terminal identification.
- Square caged terminals with generous cable capacity.
