

Built-in Bin Separator 2 x 18 litre

Brabantia's Built-in Separator - a professional 'eco' solution for the home!

As sorting household waste into recyclable groups becomes more and more important, Brabantia presents the Built-in Separator with 2 removable waste buckets for bottles, cans, organic waste etc. It's easy to fit and the waste unit slides fully out of the cabinet, giving full access to the waste buckets - no need to bend!

USP's

- Waste bin not in sight - Built-in-Separator to install in the cabinet

- Easy and light operation - Waste unit slides smoothly out of the cabinet

Features	Benefits
