

WD-40 MULTI-USE PRODUCT APPLICATIONS

Construction & Skilled Trade

- Lubricates hinges, latches and locks on doors, gates, toolboxes, ladders and trucks
- Lubricates metal moving parts
- Lubricates and protects power tools such as drills, nail guns and staple guns
- Protects against rust on outdoor air conditioners
- Drives moisture from tools
- Lubricates latches on electrical cabinets
- Helps remove gunk from electrical contacts
- Protects metal surfaces from rusting
- Frees stuck locks on lock boxes
- Penetrates and loosens stuck screws on bathtub knobs
- Keeps blades from rusting on sharp shooter
- Keeps clay from sticking to shovels
- Keeps sewer machine wheels turning smoothly
- Shines all kinds of metal
- Removes gunk from chain saws
- Lubricates and protects power tools
- Penetrates, loosens, and helps remove rusted and stuck parts, including screws, nuts and bolts
- Helps remove dirt, grime and rust from tools, including hammers, saws and pliers
- Protects wet tools against corrosion
- Loosens rusted or stuck plumbing joints
- Protects electrical connections in engines
- Protects pneumatic and hydraulic fittings from rust
- Eases replacement of fan blades
- Lubricates sheet metal cutters and channel locks
- Lubricates slide-out attic ladders
- Drives moisture from precision tools
- Waterproofs chimney cleaning tools
- Lubricates nail guns
- Lubricates cabinet hardware
- Lubricates rubber gasket for an easy installation of window glass
- Lubricates wood screws for easier installation
- Removes roofing tar off circular saw blades
- Unstuck painted radiator valves
- Helps remove grease deposits from heavy-duty conveyor systems

Agriculture

- Protects against corrosion on irrigation systems
- Lubricates moving parts on combines, tractors and other agriculture equipment
- Penetrates stuck bolts on garden cultivators
- Lubricates barn door locks
- Protects heavy-duty cutting heads
- Protects brass tips on crop field sprayer nozzles
- Removes tar from chassis
- Removes grease from rubber hoses
- Protects barrels and metal containers against rust and corrosion
- Lubricates blades to prevent rust during off-season
- Eases removal of heavy dirt from spades
- Lubricates barn door runners
- Lubricates wheelbarrow wheels
- Lubricates squeaky weathervanes

Home & Garden

- Lubricates squeaky parts
- Removes hard water deposits
- Penetrates rusted parts
- Removes build up on from chain saws
- Removes tree sap from pruning scissors
- Helps remove broken keys from locks
- Protects against snow sticking to shovel
- Lubricates hinges on pruning scissors
- Protects lawnmower blades from rust
- Penetrates and protects against corrosion on stuck bathroom fixtures
- Lubricates hinges on double glazed windows
- Protects against squeaks on cabinet door hinges
- Removes build up on hedge trimmers
- Protects garden tools from rust
- Protects against calcium build up on sprinkler heads
- Lubricates lawnmower wheels
- Drives moisture from moving garden tools to help prevent corrosion
- Lubricates lawnmower blades
- Removes grease from rubber hoses
- Removes debris from rotavator
- Lubricates height adjuster on lawnmower wheels
- Lubricates screws on garden furniture
- Loosens rusty parts on lawnmower
- Lubricates adjusting mechanisms on chairs
- Removes dirt from axe blades
- Protects axe blade from rusting
- Lubricates and protects from rust shut-off valve of main water source
- Loosens and penetrates rusted or stuck plumbing joints
- Waterproofs chimney cleaning tools
