*The 'Ideal opening width' is based on our Classic doors with a **-35mm overlap**.

Examples:

Classic 2 door opening:

(2 x 610mm wide doors = 1220mm) Deduct 35mm for 1 overlap = 1185mm opening width.

Classic 3 door opening:

(3 x 762mm wide doors = 2286mm) Deduct 70mm for 2 overlaps = 2216mm opening width.

Classic 4 door opening:

(4 x 762mm wide doors = 3048mm) Deduct 70mm for 2 overlaps = 2978mm opening width.
