

## Conformity with all relevant EU Directive requirements

**Safety:** if applicable: only use this device for intended purpose; do not use this device if damaged or defective. If this product is damaged, especially if the cable or fitting is damaged, this product must be shut down immediately. In this case, replacement is required; before replacing, turn off power and let device cool to avoid electrical shock or burn. The adapter (if applicable) must be installed near the device, not connected to any other adapter, and easily accessible. Products may only be used in combination with the original adapter. This product should only be opened by an authorized technician when maintenance is required. Never carry out repairs yourself.

To disconnect voltage: pull the plug.

**Removal of your product.** This product is made of high quality materials and parts that can be recycled. If you see this symbol on your product, it means that the product is covered by EU Directive 2002/96 / EC. Ask your own local government about the way in which electrical and electronic products are collected separately in your region. When disposing of old products, observe local legislation and do not dispose of these products in the normal household waste. Properly disposing of old products will prevent adverse effects on the environment and public health.

**Warranty:** Any changes and/or modifications to the product will void the warranty. We cannot accept any liability for damage caused by incorrect use of the product. **Disclaimer:** designs and specifications might be subjected to change without notice. All logos, brands and used product references are trademarks or registered trademarks of their respective holders and hereby recognized as such.
