service life

ASSA ABLOY

Battery installation

1 Remove the battery cover by using a coin to turn counter-clockwise until the arrow is pointing to the round dot (unlocked).
2 Insert the battery with the positive (+) side up.
3 To replace the battery cover ensure the arrow is pointing towards the dot and turn the cover clockwise until the arrows are pointing towards each other (locked).

Programming & testing

Program your Keyfob before installation and test afterwards. Please see your current system instruction book.
